FIFTH SUNDAY OF EASTER

REMAIN
IN ME.

— JOHN 15:4 —

GOSPEL MEDITATION

April 28, 2024

5th Sunday of Easter

My friend and fellow pastor, Father Paul, noticed unsightly, overgrown trees near his parish church. He asked the maintenance crew to cut back the growth, which they happily did, telling him the trees would be much healthier and even fuller after a good pruning. A few days later, Father Paul received a letter from an irate man in the neighborhood who wrote, "Jesus would never prune trees like that. He loves trees, unlike you."

I suspect that the neighbor was not familiar with this week's Gospel in which Jesus says of his Father, "**He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit**" (John 15:2) I don't mean to pick too much on that fellow. He was perhaps ignorant of arboriculture. But I'd wager his main confusion was the pruning and removing quality of God's love. That confusion afflicts us all to some degree, doesn't it? It is just so darn easy to react negatively when God cuts something out of our lives and assume it's not his work at all. In the moment, all we see is the loss, and not the loving desire for future flourishing.

The cross is the great pruning of Christ's body. Jesus' rising is the brand-new growth. It is God's promise to us that all the painful pruning in life is leading us somewhere beautiful. What has been cut back or out in your life? A friend, an opportunity, a sense of certainty, a job, health, a relationship? This week, offer those dry branches to the one who lovingly prunes us in order to make our lives burst with verdant growth.

WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

Canonized Saints

Question:

How does a person become a canonized saint?

Answer:

It is important to remember that **all the saints are people, real people who lived just as we do!** The first saints of the Church were martyrs or theologians known for a holy life. Over time, the Church has established a set process to investigate the causes of saints.

After a holy person's death, the bishop of their diocese initiates the canonization process with the Vatican. Typically, they must wait five years to ensure any false enthusiasm has lessened. With Vatican approval, the process begins and the person receives the title "Servant of God." The first phase involves collecting information about the person's life and scrutinizing it carefully. One person has the specific role of raising doubts — this is the origin of the phrase "devil's advocate!" When it is clear the person truly lived a heroically holy life according to Church teaching, they are declared "Venerable."

If the person is a martyr for the faith, they will also be declared "Blessed." If the person is not a martyr, they must be credited with a miracle. This is also closely examined for authenticity. Once the miracle is authenticated as truly a miracle performed by God through the person or through their intercession, they are beatified. An additional authenticated miracle is required before canonization, and we can call them "Saint."

Something to Ponder

The fence behind our then new house on Beethoven Drive was small and rickety, but proved sturdy enough to handle a few, small grapevines.

My dad became intrigued by these grapevines and did everything in his power to save them. The grapes that grew were very small. Because of the poor yield, my dad decided to do more to learn about assisting vines to yield more grapes.

Dad quickly learned that one of the most important tasks in getting grapevines to yield grapes was to prune them properly and at the correct times.

In an attempt to prune the vines, he was amazed at how difficult it was. The problem he came to discover, was in the nature of what a vine is.

A vine is made up of many vines. It really does not have branches as such. The branches, in many ways, are the vine and the vine, its branches.

This helps us to understand why Jesus uses the image of Himself as the vine and, we, as its branches.

A vine grows and splits to form two branches; these two split and each form two more vines.

Where does the “vine” end and the “branch” begin?

Fr. Paul

A Note From the Poor Clare Sisters!

Cheryl, who completed her year of aspirancy in January, entered our community as an extern postulant on February 6, the eve of the Feast of our Mother Saint Colette. Please continue to pray for Cheryl and our aspirants, Elizabeth and Kelly, and for six serious inquirers. There is a long, long road ahead and perseverance will not be a gift for all, but how good God is to continue to call hearts to Himself. We especially want to entrust your heartfelt prayers for any who are sick at this time.
